1. Attached are notes taken from course reports on the ITC going back to 1957 which Bernadette assembled at my request. The re-introduction of the individual writing critiques in ITC 5/68 made me wonder whether there might not have been other things we used to do which would be good to go back to. So Bernadette extracted from course reports any indications of changes or proposed changes in the course.

2. If your reading of these extracts suggest any improvements which might be made in the ITC, write you ideas below.
